Position:	**Family Medicine, Inuvik Regional Hospital**
Specialty:	Family Practice
Health Authority:	Beaufort Delta
Location:	Inuvik, NWT
Practice Description:	Your typical 40 hour week in Inuvik will involve primary care clinics and one to two emergency room shifts. You will also be expected to provide phone and occasional in-person medical support to our outlying communities. Low risk obstetrical practice would be an asset.
Staff Description:	We are a collegial group of 6 family physicians, 3-4 locum practitioners and visiting specialists who comprise the medical team in the Western Arctic on the vast Mackenzie River Delta. The IRH is an accredited teaching hospital (affiliated with the University of British Columbia), teaching Canadian as well as international students and residents.
Obstetrics required:	Negotiable
Call Arrangements:	Our backup is legendary: help is only a phone call and two minutes away.
Qualifications (Required/Preferred):	Must be eligible to obtain NWT Medical License.
Compensation:	The standard physician contract features a guaranteed 40 hour work week, overtime pay, annual retention bonuses, CME allowance, relocation assistance, enhanced benefit plan and no overhead. Part time work is negotiable. A more detailed summary is available at http://www.practicenorth.ca/
Additional:	The setting is spectacular – the world's 10th largest river Delta, the dancing Aurora Borealis on fall and winter nights and 24-hour sunlight three months of the year. Politically, geographically, recreationally and socially, it is an experience unmatched anywhere else in Canada.
